CODE OF CONDUCT

Drupal is a community - be friendly and talk to people you've never met before.

Drupal is for everyone - watch out for racism, homophobia or any other kind of abuse and step in to help if needed.

Drupal is fun - getting arrested isn't. Be friendly, respectful, and cooperative with other customers and pub staff, and do NOT break any laws!!!

Drupal is self organising – the framework is being provided for you, but which pubs you visit, in what order, and what you do there is up to you. You are entirely responsible for getting to and from the pub crawl, and for your own behaviour and safety while taking part.

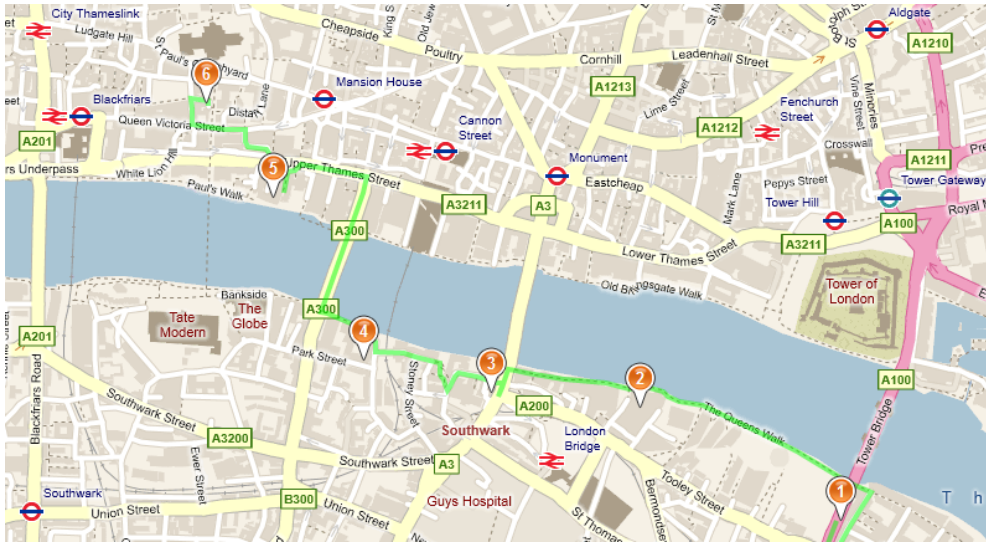

Drupal is scalable – if there are too many people in a pub move to the next pub or a nearby pub that's not on the pub crawl route.

Drupal is free – the Great DrupalCon London Pub Crawl is open to anyone interested in Drupal, you don't need a DrupalCon ticket to take part.

REMEMBER TO DRINK RESPONSIBLY

**PHOTOS AND FURTHER FUN WILL BE POSTED ON
